

Now Announcing for the Winter 2010... Emergency Response!

- 3-Year Emergency Response First Aid certification
- Non-licensed Medical First Responder equivalent
- 2-Year CPR/AED certification
- Great for CERT Leaders, FAST members, and those looking for more from their First Aid class.
- Epi-Pen Administration, Inhaler Assistance, Emergency Oxygen and so much MORE!

The Latest in Lifesaving Training for Your First Responders!

The American Red Cross Emergency Response program is based on the latest advanced in first aid and CPR. The curriculum meets and exceeds Department of Transportation First Responder: National Standard Curriculum as well as Emergency Cardiovascular Care 2005 Guidelines.

This in-depth course is now being offered HERE, at your Washtenaw County American Red Cross chapter!

**January 12th through February 25th,
Tuesdays and Thursdays 6pm to 10pm**

**Participants will need to register by January 11th, 2010.
Space is limited, so SIGN UP TODAY!**

- No prior CPR or First aid training required.
- Attendance is MANDATORY for certification.
- Students will need to dress comfortably for easy movement during class.
